How to Host a Unicorn Day Party

Unicorn Day is officially April 9, but you can throw a Unicorn Day party any time of year! Invite your patrons to celebrate all the joyful things about Unicorn Day with coloring, crafts, and cupcakes at a special storytime event!

FUN & GAMES

Pin the Horn on the Unicorn

Attached is a page full of unicorn horns to cut out and color and a page with a picture of a hornless unicorn. Cut out the unicorn horns and have each of the children decorate their own. With tape, attach the picture of the hornless unicorn to a wall. Ask the children to close their eyes and try to place their horn on the unicorn's head!

Make a Unicorn Puppet

You'll need craft paper, markers, scissors, and glue. Make your own unicorn puppet by following the instructions from Artsy Craftsy Mom: <https://artsycraftsymom.com/diy-unicorn-valentine-paper-puppet/>

Draw a Unicorn Day Activity

Provide the children with craft paper and markers or crayons. Ask the children to think of an activity they would want to do on Unicorn Day and to draw themselves doing it.

FOOD & DRINK

Rainbow Cupcakes

You'll need a box of white cake mix (plus the ingredients listed on the back of the box), food coloring, white frosting, and sprinkles. Preheat the oven to 350 degrees and line a muffin pan with cupcake liners. Prepare the cake mix according to the box directions and divide it evenly into separate bowls. Add a different food color to each bowl, stir to blend. Fill the liners by layering a spoonful of each color until the liner is 2/3 full. Bake for 20 minutes; let cool. Add the desired food coloring to frosting and pipe onto cupcakes. Top with rainbow sprinkles!

Unicorn Punch

You'll need 1 gallon blue punch, 2 liters lemon-lime soda, 3 quarts blue birthday cake ice cream, and 1.5 quarts pink or orange sherbet. Combine the blue punch and lemon-lime soda in a large serving bowl. Add scoops of ice cream and sherbet on top. Serve immediately with colorful cups and glittery straws!
